

## HPM.1.6 Request MIPLATE Apheresis Platelets

Procedure Area: Hospital Patient Management (HPM)

Version: 1.0

### Purpose

To request MIPLATE study apheresis platelets.

### Scope

Customers with patients enrolled in the Terumo BCT MIPLATE Study: *Clinical Effectiveness of Conventional Versus Mirasol-treated Apheresis Platelets in Patients with Hypoproliferative Thrombocytopenia*

### Materials

- ✓ [CTS-5030: MIPLATE PLT Order Form](#)

### Procedure Notes

- Only patients enrolled as study subjects may receive pathogen reduced (by Mirasol treatment) MIPLATE apheresis platelets.
- Participating hospitals will order MIPLATE apheresis via the *CTS 5030: MIPLATE Order Form*.
- Components may be ordered at any time; delivery date and time is dependent on location of the receiving hospital (as noted in the *Supplemental Information for Hospitals Participating in the MIPLATE Clinical Trial*).
- Empty platelet shipping boxes can be returned to your local LifeSouth region via LifeSouth Hospital Services.

### Procedure Steps

1. Complete the *CTS 5030: MIPLATE Order Form* as follows:
    - a. Complete Section A:
      - (i) Record study subject ID number
      - (ii) Record patient name, medical record number, and birthdate (optional)
    - b. Complete Section B:
      - (i) Record blood type of the platelet component you are requesting
      - (ii) Indicate whether CMV, Irradiated, or HLA Matched components are needed
      - (iii) Select whether component ABO/Rh may be substituted with a compatible type
    - c. Complete Section C:
      - (i) Record expected date of transfusion
      - (ii) Record number of units requested
  2. Complete Section D; indicate whether the order is for regular apheresis platelets or Mirasol-treated platelets.
-  **Note**  
↗ *Section E contains pre-filled shipping information for the transfusing facility.*
3. Sign and date the *CTS 5030: MIPLATE Order Form*.
  4. Fax the *CTS 5030: MIPLATE Order Form* to the LifeSouth Civitan Region at (352) 334-1064 for processing.
